

Welcome to the NewMINIScotland Fast \& Furious 7 Movie MINI Run - Sunday 5th April 2015
Try to keep the car in front and behind in view at all times. It is possible that splits will form during the run, just try to keep with a group and you should be able to re-form at the next stop point.

A little thought for the car behind will go a long way, especially when approaching junctions or orks, drop back a little to ensure they go the right way

Not everyone is a total speed freak, plus there are plenty of sheep, pheasants and yokels trategically placed to ambush you when least expected. Please be considerate to both the rest of the group and any poor fool who happens upon us. It's not a race so we don't want to see people blasting past others.

Please ensure you have a full tank of fuel
The Organisers and NEWMINISCOTLAND.CO.UK accept no responsibility for any loss, damage, injury or death incurred as a result of this event.

It is assumed that all participants have adequate insurance, road tax and driving licences. It is further assumed that participation of the run acknowledges acceptance of all of the above.

Please reset your trip counter at the start of the run.

Please gather in ASDA Car Park in Galashiels at 9.15 to 9.20am.
William will gather everyone together and lead you all round to the cinema for the film, which we want to get started at 9.45am promt! Note, the front doors to the cinema will be closed as soon as the film starts, so latecomers may not be admitted into the film.

The film will finish about 12 noon.
As soon as the film is finished, we'll all head back round to the cars and head off on the first part of the run which is really just a quick zip out to Milestone for lunch.
